### Maine Judicial Branch Welcomes Summer Interns

**June 24, 2022, Portland, Maine.** The Maine Judicial Branch has welcomed three interns from the University of Maine's 2022 Maine Government Summer Internship Program. The interns are working with staff at the Administrative Office of the Courts (AOC) on special projects that will help utilize and deepen their research and analytical skills — including a project to build a data warehouse of Judicial Branch financial data and a study that will compare compensation levels for specific positions in the Judicial Branch with comparable positions in similar organizations. The students will spend approximately 12 weeks at the Judicial Branch, based at the AOC's Portland office. The Judicial Branch looks forward to the contributions of these exceptional students.
